

What's in Our Logo?

The logo of Association of Catholic Priests symbolizes key values that have inspired APP from its beginning.

The **Cross**: Jesus' Paschal Mystery which overshadows our Christian life and all we do.

From top right clockwise:

The **bowl of water**, symbolizing our Baptism and the call to each member (and every Christian) to full participation in the Church and world.

The **cup and host**, Eucharist which is essential for celebrating the saving mystery of Faith and for nourishing our walk with Jesus in Faith, Hope and Loving service.

Outreached hands suggest our prophetic work for Justice and Peace, building a community of inclusion and equity throughout the world.

The **Dove** represents the Holy Spirit at work in us, in our Church, and in the world – at our best, breathing new life into all of us to make God's dream a reality.
